

# REQUEST FOR BIDS TENNIS COURT REMOVAL CITY OF JONESVILLE

## **Project Summary:**

The City of Jonesville is seeking sealed bids from qualified contractors to remove and dispose of asphalt tennis courts at the Wright Street Park. The asphalt surface is approximately 105 feet by 120 feet. The depth is approximately 3 inches.

The contractor will remove the asphalt surface and concrete bases within the asphalt surface that held net posts. There are also two concrete pads, one on the west and the other on the east side of the courts that the contractor will remove; each is approximately 4 feet by 7 feet. The contractor will fill any cavities or excavated areas with clean fill dirt and cover with three-inches of top soil, grass seed and mulch.

Fences surrounding the courts and the benches on the concrete pads will be removed by others prior to the start of court removal. **The contractor will remove and dispose of any concrete bases from the perimeter fence that are encountered underground.**

## **Property Location:**

Wright Street Park – 416 Wright Street, Jonesville, MI 49250

## **Project Schedule:**

The work shall be completed within 30 days of the notice to proceed. It is expected that notice to proceed will be issued by August 22, 2022.

## **General Requirements:**

1. Work must comply with all applicable Federal, State and local codes. There are no permits anticipated as a part of the project.
2. Insurance. The successful bidder shall, upon issuance of notice to proceed with project, obtain and maintain during the execution of the contract, an insurance policy meeting the following requirements and shall provide to the City a certificate showing the premiums to be fully paid.

- a. General Liability Insurance in the amount of \$1,000,000 per occurrence and \$2,000,000 aggregate.
  - b. Statutory Worker's Compensation coverage.
  - c. Automobile Liability Insurance in the amount of \$1,000,000 per occurrence.
  - d. The City, including its officers and employees, shall be named as an additional insured on the General Liability policy.
3. A lump sum payment will be made within 30 days of project completion and acceptance and approval by the City.

**Scope of Work:**

1. Fences surrounding the project area and benches on the two concrete pads will be removed by others prior to the start of demolition.
2. Removal of the asphalt surface, concrete bases for tennis net posts, remaining concrete bases from the perimeter fence, and two concrete pads.
3. Hauling all material to an appropriate landfill and/or material recycling location.
4. Upon removal of any below grade materials all excavations and cavities in the earth shall be filled with clean fill dirt and covered with a minimum of three inches of top soil, seed and mulch.
5. It is expected that water will be used if needed to control dust emissions throughout the demolition process.
