

NOTICE TO BIDDERS

Standby Generator and Electrical Services – Jonesville Fire Department

The City of Jonesville is accepting sealed bids for the labor and materials for the installation of a 26kW natural gas standby generator for the Jonesville Fire Department and consolidation of electrical services. The generator unit shall be a Kohler Model 26RCAL, or approved equivalent.

The project includes the following components:

STANDBY GENERATOR: The contractor shall provide labor and materials for the installation and connection of one new 26kW natural gas standby generator to serve the Fire Department Truck Bay and Annex. Installation shall include an automatic transfer switch and connection to natural gas.

CONSOLIDATION OF ELECTRICAL SERVICES: The Jonesville Fire Department includes Truck Bays, and an Annex that houses offices, meeting space and a kitchen. The Annex and Truck Bay each have a separate electric service. Currently, the annex is served by the standby generator at the Police Department. The contractor shall terminate the connection to the Police Department generator, remove one existing electric meter at the Fire Department, and tie the Annex electrical service and Truck Bay electrical services together into a single service.

Proof of Insurance: Proof of Workers Compensation Insurance coverage and proof of acceptable Comprehensive General Liability Insurance with minimum limits of bodily injury of \$1 Million Dollars per occurrence and \$2 Million Dollars aggregate and with minimum limits for property damage of \$1 Million per occurrence and \$2 Million Dollars aggregate will be required upon bid award. Bids shall state that the bidder has the appropriate insurance coverages.

Property Inspection: There is no pre-bid meeting. Interested bidders can inspect the property and current installation by appointment only. For questions or to schedule an inspection, please call Mike Lance, Director of Public Safety, at 517-849-2101.

Bids Due: To be considered, proposals must be submitted in a sealed envelope, clearly marked: "JFD GENERATOR" and received at the Jonesville City Hall, 265 E. Chicago Street, Jonesville, MI 49250 by 2:00 p.m. on Tuesday, December 12, 2023. Proposals arriving after the date and time will remain unopened and will be disqualified. Any proposal may be withdrawn by giving written notice to the City Clerk before the stated proposal opening time.

The City will award the work to the firm having the combination of price, qualifications, experience, and scheduling most advantageous to the City. The City reserves the right to reject any or all proposals and to waive irregularities and/or informalities in any proposal.

BID FORM
STANDBY GENERATOR
JONESVILLE FIRE DEPARTMENT

Bidder must provide pricing for each item listed. If the bidder is unable to comply with the specifications as outlined, the bidder shall clearly note these variations from the specifications. The bidder may also propose additions to these specifications that they would like the City to consider; but the costs associated with these additions shall be stated separately.

TO: THE CITY OF JONESVILLE

The undersigned, having examined the bid proposal forms and specifications, does hereby offer the STANDBY GENERATOR AND ASSOCIATED ELECTRICAL WORK listed below at the following prices, to wit:

Item	Description	Unit	Total Bid
1	26kW Standby Generator, Kohler Model 26RCAL with automatic transfer switch and connection to natural gas, and Service Consolidation, as per Bid Notice	Lump Sum	
2	Proposed Alternate 26kW Standby Generator with automatic transfer switch and connection to natural gas (attach specifications and features), and Service Consolidation, as per Bid Notice	Lump Sum
