

Jonesville Community,

In cooperation with the Jonesville City Council, Jonesville Community Schools will be swapping a portion of existing land between our maintenance garage and Sunset View Cemetery with land owned by the city south of the cemetery. The City of Jonesville approached Jonesville Community Schools about a need for cemetery expansion and wondered if we could partner with the city and community. This will allow the city and community to have a more suitable area for future expansion for the final resting place of our loved ones.

City Manager Jeff Gray and I would like to thank the Jonesville City Council and Jonesville School board for being so agreeable to this and making the process that much easier to the benefit of the entire community.

Sincerely,

Erik Weatherwax
Superintendent, Jonesville Community Schools

Jeff Gray
Jonesville City Manager
