CITY OF JONESVILLE**

2016 FINAL FALL LEAF COLLECTION

FOR IMMEDIATE RELEASE

Residents are asked to rake all leaves into piles to the edge of the curb or shoulder of your street for final collection no later than 7:30 a.m. on Monday, November 21st. The City of Jonesville staff will conduct the final leaf collection throughout the week of November 21st, as weather permits. Leaves raked to the street after the 21st may not be collected.

Be careful not to cover storm water catch basins with leaves; basins can become blocked in the event of rain. Please separate twigs and brush from leaves, since they can cause damage to the leaf vacuum.

Thank you for your help in assuring that the City of Jonesville can provide this service in a safe and efficient manner. If you have any questions, please contact City Hall at 849-2104.
