

## NOTICE

Beginning **Wednesday, July 19<sup>th</sup>** through **Friday, July 21<sup>st</sup>**  
the following streets are scheduled to be Chip Sealed:

**Dewitt Street  
Harley Street  
Keith Street  
Langs Drive  
Liberty Street  
Pinecrest Drive  
Seneca Street  
Strait Court  
Walnut Street**

**Wright Street – from Park Street north to the City Limits**

Residents are asked to please refrain from parking on these streets during this time period. Please note that this work is weather dependent and will be rescheduled if necessary.

Chip sealing is a preventative maintenance technique that extends the life of an existing asphalt street. Gravel (chips) are embedded in a thin layer of liquid asphalt. A “fog seal” of a top layer of liquid asphalt is later applied to hold the gravel in place and provide a finished surface. The completed technique provides a protective wear layer to the existing road.

Please contact City Hall at (517) 849-2104 with any questions or concerns.
