CITY OF JONESVILLE**

FOR IMMEDIATE RELEASE

MODERN WASTE BEGINS TRASH AND RECYCLING SERVICE IN THE CITY OF JONESVILLE

The City of Jonesville is transitioning to Modern Waste for residential trash and recycling services for customers living in the city limits. Modern Waste will pick up **recycling** every-other-week on **Wednesdays**. Modern's recycling service will begin on **Thursday, December 27th** (delayed a day, due to the Christmas holiday). The **Trash** pick up will take place **weekly** on Tuesdays. Trash service will begin on Wednesday, **January 2nd due to the holiday**.

Your trash and/or recycling account will **not** automatically transfer to Modern Waste. You **must** contact Modern Waste to continue to receive trash or recycling service. To set up an account with **Modern Waste**, call **(517) 536-4900**.

Modern Waste has purchased all of Republic's residential trash and recycling carts. Residents will continue to use the same carts for trash and recycling. Modern Waste will charge \$10.50 per month for trash service and \$3.50 per month of recycling service. The services will be billed by Modern Waste on a quarterly basis. Residents may select either or both services.

Republic's last day of **trash** service for customers in the City of Jonesville will be **Saturday, December 29th**. The service will be delayed from the usual Friday pick up, due to the Christmas holiday earlier in the week. The last day of **recycling** service for Republic will be **Wednesday, December 19th**. On the last day of trash and/or recycling, place your cart at the curb as you normally would.

If you have pre-paid Republic for services beyond January 1, 2019, they will issue a refund after your account closes. If you receive a bill for services beyond January 1, please contact Republic for a corrected bill amount. If you have questions about your current trash or recycling service, please call **Republic Services at (877) 268-3867**.

City of Jonesville residents are asked to contact Modern Waste **before** their Republic service ends to avoid a gap in trash or recycling services. Residents are asked to contact Modern Waste to begin service at **(517) 536-4900**.
