

NOTICE:

The **City of Jonesville** is working with technicians from **HydroCorp** to perform the citywide replacement program of all current water meters and reading devices.

- This is a mandatory program that is of no cost to the homeowner.
- Appointments take about 45 minutes and your water will be temporarily turned off.
- Someone over the age of 18 must be home at the time of the appointment to meet the technician.
- Please ensure our field technician has clear, unobstructed access to the water meter.

HOW TO SCHEDULE YOUR WATER METER INSTALLATION

In the upcoming weeks you will be contacted via **e-mail, mail, or phone** with a reference code. You can visit <http://www.WaterMeterInstall.com> or call 844-493-7641 to schedule your appointment.

Reminder: all HydroCorp employees wear photo I.D. badges with their full name included. Always ask to see the I.D. badge before you allow entry into your home.
