Re: Manager Report and Recommendations – April 16, 2014 Council Meeting

6. A. Mowing Bid Award [Action Item]

On Thursday, April 10th sealed bids were accepted for mowing services of 12 public spaces around town and leaf removal at the two parks. One bid was received from Michigan Lawn and Landscape, the contractor who currently provides the service to the Village. The proposed rates for the cost per mow of all 12 spaces is \$525.57; the cost for each leaf pickup at the parks is \$260.34. These rates are an increase of 10% over the rates awarded in the 2011 contract. The contractor is willing to guarantee the rates for a two-year contract. DPW Superintendent Kyser has been satisfied with the contractor's work and recommends award of the service. I concur with Mr. Kyser and recommend a motion to award a two-year contract. *Please refer to the attached bid documents.*

6. B. Resolution 2014-05 Extension of Medical Marihuana Moratorium [ROLL CALL][Action Item]

The Planning Commission continues to make progress in its effort to develop a local ordinance to address medical marihuana operations and facilities. Concurrent with that work, the Planning Commission is recommending extension of the current moratorium on the establishment of facilities for an additional six months. I concur with the Planning Commission and recommend a motion to approve the resolution to extend the moratorium and additional six months, until October 18, 2014. *Please refer to the attached Resolution.*

6. C. Riverfest Weekend Yard and Garage Sale Permit Variance [Action Item]

Ordinance No. 204 regulates yard and garage sales within the Village of Jonesville. Section 2(F) allows the Village Council to waive ordinance requirements for community events. I recommend waiving the requirement for free permits between Thursday, May 15, 2014 and Sunday, May 18, 2014. Riverfest weekend sales will not be counted toward each resident's six allowed sales limit. All other provisions of the ordinance remain in effect, including the placement of signs. *Please refer to the attached copy of Ordinance No. 204.*

6. D. Schedule Public Hearing: Jonesville Tool & Manufacturing LLC PA 198 Industrial Facilities Tax Exemption [Action Item]

Jonesville Tool & Manufacturing LLC has submitted an application for an Industrial Facilities Tax Exemption Certificate (Public Act 198 of 1974, as amended). Jonesville Tool & Manufacturing is making equipment investments of \$811,139 and intends to create three new jobs, while retaining 53 existing jobs at their facility as a result of the project. I recommend a motion to set a public hearing on May 21, 2014, 6:30 p.m. at the Village Hall, 265 E. Chicago Street, Jonesville, MI for the purpose of acting on the exemption certificate. *Please refer to the*

attached draft Notice of Hearing and Application for Industrial Facilities Tax Exemption Certificate.

6. E. Schedule a Special Meeting – Fiscal Year 2014-2015 Budget [Action Item]

I recommend, as was proposed with the Budget Calendar this year, that a Special Meeting be scheduled for Wednesday, May 7, 2014, 6:30 p.m. at the Village Hall, for the purpose of discussing the Fiscal Year 2014/2015 budget. The General Fund, DDA, LDFA, Sewer Fund, Water Fund, and Debt Service will be included in the review. Department Heads will attend the meeting to discuss their proposed budgets and to answer questions. A motion is recommended to set the Special Meeting.

10. Fiscal Year 2014-15 Visioning and Budget Work Session

This item is reserved for the discussion of Council visioning related to the 2014-2015 budget. Discussion will begin with a status review of Council's 2013/2014 objectives, which included:

- Institute a Balanced Budget
- Develop and implement fiscal sustainable policies to support core municipal services (i.e. collaboration/shared services/consolidation/reorganization/public-private partnerships)
- Civic Engagement – Engage and realize talents of youth, service clubs, neighborhoods, churches, and various community entities
- Complete city incorporation process
- Appoint a new Village manager

While many of these objectives will continue into the next fiscal year, it would be appropriate to discuss any additional objectives Council might want to accomplish. I will present information regarding an economic development objective that I recommend Council consider for the upcoming budget at the session.

Following the visioning session, we will conduct a Budget Session to review Local Streets, Major Streets, State Highway, and Motor Vehicle Pool.

April 1, 2014

To the Village of Jonesville:

If awarded a new contract for the lawn care and leaf removal, we would continue the application of herbicides to control undesirable vegetation as well. This would be done as directed by the supervisor in the downtown area and at the Wright Street Park ball fields.

In the past, we have provided you this service at a rate of \$25.00 per hour of application (Chemicals to be supplied by the Village.) and we would continue the service as this price. If the chemicals are supplied by us, there would be an additional charge per gallon. Enclosed is a copy of our 2014 State of Michigan Pesticide Application Business License.

Michigan Lawn and Landscape has been providing services to the Village of Jonesville for the last 11 years. We have tried our best to keep your costs low while providing quality lawn care and landscape services. As always, honesty, reliability and the quality of our work are at the top of our list. We look forward to being of service to you in the future.

Sincerely,

Kal Hoag

Jonesville Planning Commission

April 2014

Monthly Report

At the regularly scheduled meeting of the Jonesville Planning Commission, the meeting began with continued discussion on medical marihuana. From the February meeting, it was decided that staff would begin looking at language in the zoning ordinance relative to Ch.12 Light Industrial and how best to apply proposed language for permitting medical marihuana caregiver grow operations in those districts.

Staff presented two options for how best to create language for caregiver grow operations in Light Industrial districts. The first was simply to permit medical marihuana caregiver grow operations by right. Those operations would still be subject to terms under the Michigan Medical Marihuana Act as well as provisions established by the Planning Commission. Compliance with those terms would permit caregivers to operate within Light Industrial districts. Any type of home occupation relative to medical marihuana would not be permitted.

The second proposed option would be to permit medical marihuana caregiver grow operations in Light Industrial districts by special use only. This would require caregivers to apply for a Special Land Use permit. A public hearing would be held by the Planning Commission. In addition to terms under the Michigan Medical Marihuana Act, caregivers would be subject to terms and conditions under Ch.14 Special Land Use in the zoning ordinance.

The Planning Commission deliberated the merits of the proposed options and decided the best path forward would be to permit caregiver grow operations by Special Land Use only in Light Industrial districts. Staff was directed to begin working on proposed changes to the zoning ordinance for medical marihuana caregiver grow operations for review at the May meeting.

Finally, the Planning Commission took action to recommend that Village Council extend the soon to expire moratorium on medical marihuana for an additional six months. Should Council choose to extend the moratorium, the expiration date would be October 18, 2014.

Respectfully submitted,

Tim McLean, Assistant to the Manager
