

Village of Jonesville
Downtown Development Authority
Meeting Agenda
July 16th 2013
7:30 A.M. Village Hall

A. Call to Order

B. Public Comment

C. New Business

1. Update on North Parking Area

2. Maumee Street

3. New Manager Information

4. Heritage Apartments (information)

5. Sale of Ice Rink purchased by DDA (action item)

(Purchased in 2010 for approximately \$3000 (28' by 68') the rink has not been used the past couple of years due to weather and also kids poking holes in the liner. Liner needs to be fixed or replaced at a cost of around \$1500. May have been a good idea originally however takes more care than our staff has time for and with the kids poking holes in the liner, losing water etc believe it is more of a liability than an asset) Rick seems to think the unit is worth about \$1000. I would propose that the DDA put the unit up for sale for \$1000 or best offer.

D. Adjournment
