6. A. 2015 Riverfest Update

[Information/Discussion]

As you know, the 41st Annual Riverfest will take place on May 15, 16 and 17 this year. Lenore Spahr with the Riverfest Committee will be present to talk about this year's event and provide information about activities that are planned through the weekend. Discussion about the event and any activities that you or your organization are involved in are welcome. I am also interested in understanding the DDA's past involvement in the event, if any.

6. B. Project Updates

[Information/Discussion]

This item is reserved for to address status updates on a number of projects, as identified on the agenda and any others that members may have questions about.

7. A. Hillsdale County Chamber of Commerce – Christine Bowman

As I have reported at recent meetings, I have been coordinating with Christine and the Chamber on a number of issues. These include the recent Historic Preservation/Economic Development Workshop and the promotion of the Grosvenor Hotel property. Christine will be at the meeting regarding our cooperative efforts and to update on Chamber activities.
