Re: Manager Report and Recommendations – January 10, 2017 DDA Meeting

**6. A. Riverfest**

**[Information]**

Christine and/or Tim Bowman will be in attendance at the meeting to provide an update and information regarding the activities planned for the 43<sup>rd</sup> annual Riverfest weekend. The event will take place on May 19, 20 and 21 this year.

**6. B. Slogan Contest**

**[Action]**

Several entries were received for the DDA slogan contest. This included a tremendous response from the students at Williams Elementary. We have divided the entries between those submitted by adults and those received from students. We will send them via email for your review. If you prefer copies of the submittals, please contact the office and we will make sure that you get them that way.

You will remember that the original intent was to narrow the entries to three or four top choices, announce them via Facebook and allow voting by social media to determine the winner. If you feel that there are some strong choices, we could still proceed in that manner. However, given the student response, the DDA could consider gearing the award to one of the kids or groups of kids that submitted an entry.

If the DDA intends to narrow the entries, I would recommend the appointment of a committee, empowered with the authority to narrow the responses and to advertise for voting for a winner. Please refer to the emailed slogan contest entries.

**6. C. Fiscal Year 2017-18 Budget Committee Appointment**

**[Information]**

Over the next few months, the City will develop the Fiscal Year 2017-18 budget that will be effective July 1st. Last year, Chair Don Toffolo, Mayor Bob Snow and Don Germann served on a committee to provide a recommendation regarding the annual budget to the DDA board. I anticipate that the committee will meet once or twice this spring and would ask that the DDA once again appoint a committee of three or four members.
