**5. A. Project Update – Chicago Street Road Diet, TAP Grant Application,
and Streetscape Design**

[Action]

This item is reserved for an update by our project engineers and designers at Fleis and Vandenbrink on the status of the Chicago Street/US-12 Road Diet study, the TAP Grant application and related design improvements for the Streetscape project. Road Diet data and the TAP Grant application are both due to be submitted to the Michigan Department of Transportation (MDOT) during the month of June. The project designers will advise of any action or feedback that is needed from the DDA to meet the deadlines.
