

Be a Good Neighbor..

Help Clean up our Community

TAKE PRIDE and help keep your neighborhood free of blight. Besides not making you the most popular neighbor on the block, blight causes property values to decline, puts a strain on municipal services, and adversely affects the health and wealth of our citizens. Accumulated junk or debris, an unkempt yard, or something as seemingly small as an overflowing garbage can, negatively affects the quality of life in your neighborhood and COMMUNITY WIDE.

Join in and do your part to make our community sparkle!
