Bulk Items/ Excess Garbage

Bulk items will be collected if each item is under 50 pounds. Items must be placed curbside the day of collection. Resident will be billed separately for the additional service at a rate of \$25 per bulk item.

For health and safety reasons, mattresses and box springs are requested to be wrapped in plastic to be collected at the curb/ street side. Plastic mattress wrap can be found at local grocery stores, hardware stores, etc. If using loose plastic, it must be completely taped and secured on all corners with no exposure to the mattress. If you are looking to dispose of a toilet, for safety of the team due to the weight, please separate the item (i.e. the bowl and the tank pulled apart in two parts).

For items that do not fit the above criteria, LRS will provide service as needed, scheduled at an agreed upon per-yard basis. This service will be upon request, and billed separately.
