

**VILLAGE OF JONESVILLE
SEWER LATERAL POLICY
ADOPTED MARCH 5, 2003**

Section 17-194(b) of the Village of Jonesville Code of Ordinances states: "All costs and expenses incident to the installation, connection, and maintenance of the building sewer to the public sewer shall be borne by the owner."

The Village will maintain the public sewer main. The remediation of any obstructions that cause the sewer main to backup and disrupt service to the property owner will be the responsibility of Village personnel. The connection from the sewer main to the building, otherwise known as the sewer lateral, will be the responsibility of the property owner. The remediation of any obstructions that cause the sewer lateral to backup and disrupt service to the property owner will be the responsibility of the property owner. See diagram below.
