

Be a Good Neighbor Set a Good Example

TAKE PRIDE and help keep your neighborhood free of blight. Besides not making you the most popular neighbor on the block, blight causes property values to decline, puts a strain on municipal services, and adversely affects the health and wealth of our citizens. Accumulated junk or debris, an unkempt yard, or something as seemingly small as an overflowing garbage can, negatively affects the quality of life in your neighborhood and **COMMUNITY WIDE**.

Join in and do your part to make our community sparkle!

**2016 SPRING CLEAN UP
ACCEPTABLE/UNACCEPTABLE ITEMS**

ACCEPTABLE

All bagged and containerized municipal solid waste Bags and containers must weigh less than 50 lbs.

Larger items such as: Furniture, toys, bicycles, appliances*, home fixtures and any other items as long as they are considered non-hazardous.

Building materials, doors, Sections of fencing – must be cut down to fit into the truck and can be lifted by one person

Latex Paints – Paint must be dried up in containers (used sawdust, kitty litter or just leave the can open for a few days)

Wheel rims and small car parts

We basically will pick up most everything placed at the curb as long as it is prepared in "Manageable Bundles", bags, boxes and containers. The exceptions are below.

UNACCEPTABLE

Yard Waste

Liquid or Hazardous Waste

Tires (Tires may be accepted if they are cut up) Tires on Rims

Non-Latex Paints & varnishes Motor

Oil & Solvents

Car batteries

Regulated Medical Waste

Large car parts such as: Engine blocks, bodies, oversize hoods & doors

Building demolition: While we will take certain amounts of construction debris, we will not be able to remove large volumes such as: Garage or House demolition that would normally require a construction style dumpster.

**Appliances that contain Freon, such as: Refrigerators & Air Conditioners These items can be accepted if the Freon is removed and the appliance is "tagged" by a licensed facility that the Freon is removed.*
