## NONCONFORMING USE APPLICATION REVIEW

A Nonconforming Use may be changed to another Nonconforming Use provided that all of the following determinations are made by the Zoning Board of Appeals.

Please describe how each of the following conditions will be met:

1. The proposed use shall be as compatible or more compatible with the surrounding neighborhood than the previous nonconforming use. In determining compatibility of the proposed nonconforming use, as compared to the previous nonconforming use, the Zoning Board of Appeals shall find that the proposed use creates a lesser degree of effect on adjacent uses with respect to such factors as noise, traffic characteristics, general level of activity, parking needs, lighting and other factors deemed relevant by the Zoning Board of Appeals.
2. The proposed nonconforming use shall not be enlarged or increased, nor extended to occupy a greater area of land than the previous nonconforming use.
3. That appropriate conditions and safeguards are provided that will ensure compliance with the intent and purpose of this ordinance.
