## **SIGN APPEALS AND VARIANCES APPLICATION REVIEW**

Any person aggrieved by a decision of the Zoning Administrator relative to the placement, area, height, or construction of a sign may appeal such decision to the Zoning Board of Appeals, pursuant to Section 19.11 of the Zoning Ordinance.

Please describe how each of the following conditions will be met:

1. The variance would not be contrary to the public interest or general purpose and intent of this chapter, and the variance would not adversely affect properties in the immediate area of the proposed sign.

2. The petitioner has a hardship or practical difficulty resulting from the unusual characteristics of the property that precludes reasonable use of the property.
