

As a service to residents, yard waste will be collected during the week of **April 3rd** and the week of **April 24th**. The City will pick up **loose materials** by tractor, or materials that are in **bundles**, biodegradable **bags**, or labelled **barrels** with a maximum weight of 50 pounds. Eligible materials are listed below at the curb or edge of the street; please do not place materials in the street. Staff will begin collecting in Area 1 (see Collection Map on page 2) on Monday and will work through the remaining areas through the week. Please place items by 7:30 a.m. on Monday, April 5th and Monday, April 26th.

Weekly Collection – Begins Week of May 1st

Weekly collection will take place from **May 1st** through **October 27th**, weather permitting, according to the following procedures:

1. All materials for collection must be placed at the edge of the street no later than 7:30 a.m. of the day scheduled for collection and no sooner than the day before the scheduled collection.
2. Place all eligible materials in **bundles**, biodegradable paper **bags** or labelled **barrels** with a maximum weight of 50 pounds. Tree limbs and brush must be cut to lengths **not exceeding five feet and bundled, and less than 50 pounds in weight**. Loose materials will **not** be picked up during weekly collection.
3. No more than one pick-up truck load of materials may be set out for collection at any one address for each collection. Disposal of larger quantities at the City Dump may be permitted with prior approval by the Superintendent of Public Works.
4. Trees cut by a contractor are not eligible for collection.
5. Yard waste **eligible** for collection shall include:

Grass Clippings	Tree Limbs
Branches	Garden Clippings
Dirt and stones	

Maximum Weight of 50 Pounds
6. Materials **ineligible** for collection shall include:

Blacktop	Stumps	Plastic Bags
Bricks	Lumber	Concrete
Hazardous or Contaminated Materials		

Cooperation with these procedures help assure that we can continue to provide this service to our residents. Crews will be unable to remove materials that don't meet these standards. Thank you for your help!
