The regular monthly meeting of the Jonesville Planning Commission was called to order at 7:00 p.m. by Chairman Mike Venturini. Charles Crouch led the Pledge of Allegiance which was followed by a moment of silence.

There was no public comment.

Christine Bowman made the motion to approve the agenda. Jerry Drake seconded. All in favor; motion carried. Scott Leising then made the motion to approve the minutes of the December 10, 2014 regular meeting. Charles Crouch seconded. All in favor; motion carried.

New business brought the motion made by Scott Leising and seconded by Christine Bowman to retain the current slate of officers for 2015. Those officers are: Chair—Mike Venturini; Vice-Chair—Jerry Drake; Secretary—Connie Hutchinson. All in favor of the motion; motion carried.

Ongoing business included the review by Assistant to the City Manager McLean of the 2015 Work Plan. Jerry Drake made the motion to approve the plan as presented. Scott Leising supported. All in favor. Motion carried. It was noted that an ad hoc committee to be made up of Planning Commission members would take on an ongoing review of City ordinances over the coming months.

Finally, Assistant to the City Manager McLean presented an update on the Heritage Lane development project, noting that changes to the plan have delayed a submission of a final site plan. That is on track to be brought to City staff for review before the February Planning Commission meeting.

Following updates of recent city projects, the meeting adjourned at 7:40 p.m.

Respectfully submitted,

Connie Hutchinson, Secretary
