

We Need to Hear from You!

The City of Jonesville Planning Commission invites you to attend a Public Input Session for the 2023-2027 Recreation Plan Update

Where: Wright Street Park

When: Tuesday, October 25, 2022

Time: 5 PM to 7 PM

Who should attend? Anyone who lives, works, or plays in Jonesville.

At this INTERACTIVE Public Input Session, you will learn about the recreation plan update process. The session will include an overview of the City's recreation opportunities, including informational maps.

At various locations throughout the park where potential improvements are being considered, there will be staging areas *with conceptual drawings* for you to view and comment on in real time, using post-it notes. Jonesville Planning Commission members will be at each staging area to gather your input and answer questions about the recreation plan update process.

Some of the proposed ideas for new amenities and use options for the park include:

- *Pickleball Courts*
- *Dog Park*
- *Performance Bandshell*
- *And More!*

There will also be opportunities at the session to provide input about other Jonesville area outdoor facilities, like Carl Fast Park and pedestrian/bike connections. Refreshments and copies of the City of Jonesville Parks & Recreation Survey will also be available for you to complete.

120 West Michigan Avenue • 9th Floor • Jackson, MI 49201

Community Survey for the 2023-2027 Recreation Plan

The City of Jonesville is developing an updated edition of the 5-year recreation plan. Approval of the new edition by the Michigan Department of Natural Resources (MDNR) will maintain the City's eligibility to apply for MDNR parks and recreation grants. Soliciting comments from the general public are a requirement of the 5-year plan; it is also good public policy. Please dedicate the short time required to take this survey. Your opinions are wanted and needed.

These questions largely relate to pedestrian and biking habits. Previous surveys have captured community input related to parks and recreation facilities, which will help inform the development of the recreation plan and future projects.

Please tell us what you think!

Complete the Online Survey using the link or QR Code below:

<https://www.surveymonkey.com/r/JonesvilleRecSurvey>

Contact City staff at (517) 849-2104 if you would like assistance completing the online survey; paper copies can be completed at City Hall.
